UNDERSTANDING POLITICAL IDEAS AND MOVEMENTS

UNDERSTANDING POLITICS

Series editor **DUNCAN WATTS**

Following the review of the national curriculum for 16–19 year olds, UK examining boards introduced new specifications, first used in 2001 and 2002. A level courses are now divided into A/S level for the first year of sixth-form studies, and the more difficult A2 level thereafter. The **Understanding Politics** series comprehensively covers the politics syllabuses of all the major examination boards, featuring a dedicated A/S level textbook and five books aimed at A2 students. The books are written in an accessible, user-friendly and jargon-free manner and will be essential to students sitting these examinations.
